ABOUT STEFANI'S

Nico's passion for pizza began early on as he grew up admiring his late Grandfather (Pepe Stefani) a well-known Blackpool business man who owned a family run pizzeria on Blackpool promenade.

Nico decided he was going to take after his late grandfather and open his own Pizzeria, he worked for years to perfect the recipes for dough and sauce he has now in his shop.

Before opening Nico visited Naples where the pizza originated from to make sure his pizzas would be perfect.

To make sure Nico creates a proper Italian pizza Nico imports as many of his ingredients as possible.

Using Caputo 00 flour that is milled in Naples we make our fresh dough on site daily which is then proved for a minimum of 24 hours. Our pizza sauce is made from the finest tomatoes on the market San Marzano tomato's which are grown in the rich volcanic soil at the edge of Mount Vesuvius.

Between the imported ingredients, the strict methods and the woodfired oven it creates as Nico says, 'The perfect pizza'.
